

LESSON PLAN 1

ALPHABET

Around the World with Somi & Flic

1 WARM-UP: ROPE LETTERS

- Make the rope into the letter 'O': jump in and out, walk around the outside, squat inside, bunny hop inside, jumping jacks in and out.
- Make the rope into the letter 'I': tiptoe walk along, jump side to side, straddle shape with hands on the line, walk backwards, then walk and jump onto the dot of the 'i' (circle/spot).
- Make the rope into the letter 'S': walk along the letter, then jump over from side to side.

2 STRETCHING

- Stand in a straddle shape and put your hands flat on the floor. If it's easy, lift one leg off the floor.
- Alphabet game: call out a letter and gymnasts make a shape or balance that looks like it – or call out a balance and they guess its first letter.
- A – Arabesque · B – Back support · C – Crab · D – Dish · E – Egg rocks · F – Frog (squat) · G – Giraffe stretch (stretch shape)

Included in your pack (1080 × 1350) to share on your club's socials.
