ACTIVITIES

VISITING THE ZOO

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: **VAULT** → **FLOOR** → **BARS** → **BEAM**

VAULT

- Fast cheetah running.
- Hands on the red block, jumping on the T-trainer like a bunny.
- ★ **Jumping/hopping on spots like a kangaroo.** STICKER SKILL
- Squat onto the blocks along the tumble – safe landings off.
- Stomp like an elephant on each spot.
- Penguin sliding on sliders.

FLOOR

- Walk along the stepping stones like a giraffe.
- Backward roll down the slope.
- ★ **Walk feet over all the animals (red beam and spots).** STICKER SKILL
- ★ **Forward roll on the panel mat.** STICKER SKILL
- Static crab hold.
- Lie back over the lion and reach for the floor.
- Show a squat on a line.

BARS & RINGS

- Monkey swings on the low bar, block to block (if too hard, put a red block underneath for feet).
- Walk up a wedge under the single bar – kick over with help (circle up).
- P-bars (one low, one high) – climb onto the low bar and swing out like a monkey.
- Mini P-bars – perch like a parrot – tuck holds.
- Swing like a monkey with a toy monkey squeezed between your knees.
- Wall bars – choose a monkey to pull down.

BEAM

- Jump over the octopus.
- Red beam (2 beams parallel) – front support walk over the animals.
- White beam – walk like a giraffe on tiptoes.
- Widener – walk along like a hippo carrying a snake on your back.
- Backwards 'flying' like a bird (use scarves for wings).
