

LESSON PLAN 10

TRANSPORT

Around the World with Somi & Flic

1 WARM-UP GAME: THE DRIVING GAME

- All children have a steering wheel (small hoop).
- Green = GO – running.
- Amber – get ready, jogging on the spot.
- Red = STOP – landing shape.
- Park your car – pike.
- Speed bumps – jumping.
- Roundabout – spin around.

2 ACTIVITIES (2 BEAN BAGS EACH)

- Be a bridge – front support shape; pass the bean bags under the bridge (under your tummy) to the other side.
- Aeroplane tuck rolls – sit in tuck with your bean bag in your feet, roll back and drop off the passengers.
- Dumper trucks – kneel, hands in front, bean bag on your back; push your bottom up and dump the bean bag.
- Helicopters – pass the bean bag round your body, changing hands in front and behind – arms out wide, then take off! Throw and catch your bean bag.
- Speed humps in your sports car – jump over the 3 bean bags one at a time, landing with hands out.

Included in your pack (1080 × 1350) to share on your club's socials.

YOU'LL NEED

Hoops and bean bags. Transport pictures and ride-ons make great theatre too.

- VAULT Squat onto the red block, then onto the blue vault. Jump out into a flat hoop with correct landing arms.
- VAULT Hopscotch.
- FLOOR Dump truck with a bean bag.
- BARS & RINGS A-bar – toes to bar.

ACTIVITIES

TRANSPORT

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

- Log roll over the bumpy road (panel mat and noodle).
- Straddle onto the vault top and hold – forward roll down the slope.
- ★ **Squat onto the red block, then onto the blue vault. Jump out into a flat hoop with correct landing arms.** STICKER SKILL
- Speed hump jumps – jump over foam blocks with 2 feet.
- 3 bounces on the trampette, then jump onto the mat.
- ★ **Hopscotch.** STICKER SKILL

FLOOR

- Forward roll road – 2 forward rolls along the panel mats.
- ★ **Dump truck with a bean bag.** STICKER SKILL
- Hands on a higher block – jump both feet out behind like a truck getting rid of rubbish.
- Backward roll down the slope like a wheel.
- Sit on a block holding a mini wheel, lifting legs up into a tuck shape.
- Use the track and car if you have them.

BARS & RINGS

- Blue P-bars – walk over the water.
- Circle down round the mini bars like a wheel.
- Rings – hold on, swing and kick the 'tractor wheel'.
- 2 floor bars – stand on the floor bar and jump off.
- ★ **A-bar – toes to bar.** STICKER SKILL
- Climb on the red block under the P-bars, let go and land in the tractor wheel (doughnut).

BEAM

- Foam beams – jump over the speed bumps (noodles).
- Low beam at an angle – go down the hill, rolling a hoop along the beam like a unicycle.
- Widener beam – stretch jumps along the traffic lights.
- High beam (no widener) – walk along like an aeroplane.
