ACTIVITIES

MINI BEASTS

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

- Tumble/run-up with blocks and wedges – straddle on, straddle roll down like a snail.
- Air track/run-up – frog jumps, grasshopper jumps (high jumps) and log rolls like a worm.
- Brown vault top/block – squat on, up on toes, stretch jump off.
- Squat onto a block like a grasshopper.
- Run up a wedge onto the vault – stretch jump off!

FLOOR

- Cones and ropes – spider walk over the spider's web.
- Worm rolls down a slope.
- Forward rolls like a woodlouse.
- Handstands on the floor blocks x 2 – step into a lunge.
- Handstands against a block with coach support, OR lift up into handstand lying on the slope with the coach (supported).

BARS & RINGS

- Mini P-bars – doughnut and yoga ball underneath; strong arms, bounce to a tuck or pike hold.
- Wall bars – facing out, hang in straddle/pike/tuck.
- Single bar – straddle stand on 2 blocks, swing out then back.
- Rings – fly like a butterfly (tie scarves on).

BEAM

- Beam with widener – look under the stones, find the mini beasts and drop them into the bucket.
- Crawl under the butterfly tunnel (parachute) – foam beams with blocks either side.
- Grasshopper jumps along the foam beams.
- ★ **Floor beam – caterpillar walks.** STICKER SKILL
- Big beam – walk with dragonfly arms (arms out, rotating shoulders).
