

LESSON PLAN 2

SPACE

Around the World with Somi & Flic

1 WARM-UP: ACTIVITIES WITH ROPES

- Spaceship – turn round x 3, arms out, with a hoop.
- Alien – silly arms and legs.
- Star – make a star shape, wide arms and wide legs.
- Rocket – 5, 4, 3, 2, 1… blast off!
- Spaceman – large spacewalks, big steps!
- Planet – tight tuck shape.

2 STRETCHING

- Warm-up stretches with a large hoop (your spaceship).

3 ACTIVITIES

- Squat position – blast off to a stretch shape like a rocket!
- Rock and roll in a tuck shape (as small as Pluto).
- Star shape standing up.
- Star shape lying down.

Included in your pack (1080 × 1350) to share on your club's socials.

YOU'LL NEED

Some large hoops to turn into flying saucers!

STICKER SKILLS THIS WEEK

- **VAULT** Moon walking down the tumble – big steps, then side steps.
- **FLOOR** Star rocks on blocks with ribbons.
- **BARS & RINGS** Chin-up hold – look over and under the bar.
- **BEAM** March along the beam in spaceships (large hoops, arms out).

ACTIVITIES

SPACE

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

★ **Moon walking down the tumble – big steps, then side steps.** STICKER SKILL

- Squat onto the crater (2 podium blocks), stand up tall and jump down.
- Hopscotch down the tumble – use rubber spots.
- Jump over the craters – up and down over blocks – show and hold your landing shape.

FLOOR

- Jump in the planets (flat hoops).
- Sideways bunny hops over the rockets (6 cones with 3 ropes across).
- Cartwheel shapes over the craters (handstand blocks x 3).
- Walk up a wedge and make a star shape.
- Cartwheel along the panel mats down the Milky Way (supported).

★ **Star rocks on blocks with ribbons.** STICKER SKILL

BARS & RINGS

★ **Chin-up hold – look over and under the bar.** STICKER SKILL

- P-bars – hold a tuck over the alien goo.
- Swing on the single bar and kick over the alien.
- Blast-off casts – mini casts, last one blasts off and lands on the moon behind OR jump up to front support.
- Front support on the block bar – circle down.

BEAM

★ **March along the beam in spaceships (large hoops, arms out).** STICKER SKILL

- Pick up the stars from the low beam and put them in the crater.
- Step over the rockets on the floor beam (flat cones).
- Space jumps (bunny hops) over the floor beams.
- Bench – walk along, turn round and continue (look for aliens!).

♫ **OPTIONAL MUSIC:** Zoom, Zoom, Zoom, We're Going to the Moon
