

LESSON PLAN 7

JUNGLE

Around the World with Somi & Flic

1 WARM-UP: JUNGLE ANIMALS (PLAY JUNGLE BACKGROUND MUSIC)

- Explain each animal and how it moves:
- Giraffe – up on toes in a stretch shape, reach up for leaves to eat, then touch toes to drink water.
- Parrot – slow arms out, up and down, then fast flying arms.
- Tree frog – frog jumps, hands on the floor.
- Elephant – large wide stomping, make a trunk with your arm.
- Monkey – hands under armpits, jumping.
- Lion – claws and roaring, on all fours.
- Tiger – fast running on the spot.
- Gorilla – low down, walk on knuckles.
- Crocodile – on tummy in an arch, snapping arms and legs.

2 STRETCHING

- Neck – turn your head side to side, look down and look up.
- Shoulders – circle forwards, then back.
- Arms – circle one at a time both ways, then together.
- Stand in a star – one arm on your waist, the other stretched over, then change.
- Touch each foot across, then touch in the middle.

Included in your pack (1080 × 1350) to share on your club's socials.

YOU'LL NEED

Jungle animal cards, cuddly jungle toys or inflatables work really well!

STICKER SKILLS THIS WEEK

- **FLOOR** Squat onto the block, backward roll off over the obstacle course.
- **BARS & RINGS** Front support on the floor bar.

ACTIVITIES

JUNGLE

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

- Long jumps from spot to spot.
- 3 purple/pink blocks – squat jump from spot to spot like a frog.
- Frog jumps from the blue vault onto 2 mats.
- Bench on the tumble – tummy slide along like a snake.
- Climb on the red block and jump high enough to eat the trees – land on the blue mat.

FLOOR

- ★ **Squat onto the block, backward roll off over the obstacle course.** STICKER SKILL
- Jump over the snakes.
- Lie on the blue block and swim away from the animals.
- Straddle shape on a line – touch a reptile on the line and reach up.
- Go in and out of the cones like a snake.

BARS & RINGS

- Hang on a single bar, let go and land in a hoop.
- Slope leaning against the pit – run up the slope like a cheetah holding onto the bar.
- ★ **Front support on the floor bar.** STICKER SKILL
- Small P-bars – climb over the alligators.
- Big P-bars (one high, one low) – walk on the low bar.
- Climb on the ladder from one side of the mats to the other (near the purple block bar).

BEAM

- Red beam – stomp along the spots OR jump over the frog.
- Floor beam – walk along like a flying parrot, holding scarves.
- High beam (widener) – walk on all fours and freeze in the middle like a hippo.
- Low beam – frog jump over the frogs.

OPTIONAL MUSIC: Walking in the Jungle
