

LESSON PLAN 11

DINOSAURS

Around the World with Somi & Flic

1 WARM-UP GAME: DINOSAUR MOVES

- Stegosaurus – walk in straddle, straight legs and straight arms on the floor.
- Brontosaurus – stand in straddle, arm makes the head swaying.
- Velociraptor – fast running on the spot, dino arms.
- Pterodactyl – wings out, balance on one leg.
- Croclion – arch, snap legs and arms.
- T-Rex – T-Rex arms, stomping legs and roaring!

2 STRETCHING WITH A DINO EGG (SMALL BALL)

- Stand up tall, reach to the sky, touch your toes with the egg x 3.
- Circle each arm both ways, then together.
- Pass your egg round your waist.
- Stand in a star – reach the egg to each foot, roll it across to each foot, wrists and ankles.
- Straddle sit – roll the egg down your leg to your foot and across to the other foot; roll it into the middle and go flat.
- Pike sit – reach up high then touch your toes; roll the egg around you; put it at your toes and roll it down your legs.
- Tuck sit – hide your egg!
- Stand up and shake it all out!

Included in your pack (1080 × 1350) to share on your club's socials.

YOU'LL NEED

Dinosaur cards, balls or plastic eggs to use as dinosaur eggs, a rope and a cone.

ACTIVITIES

DINOSAURS

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: **VAULT** → **FLOOR** → **BARS** → **BEAM**

VAULT

- ★ **Hopscotch stomp.** STICKER SKILL
- Dinosaur stomp – jump up and down using the soft red/yellow vault blocks.
- Jumping down and up – use the round trampette between two blocks.
- ★ **Squat or straddle onto the red block. Jump down from the large blue vault, or forward roll from the tummy.** STICKER SKILL
- Bear walk on two beams put together (like a brontosaurus).

FLOOR

- Walk up the wedge into handstand (dizzy dinosaur).
- Walk on hands round the block – feet on top.
- Lunge and kick up to handstand – step up onto the red floor blocks.
- ★ **Bunny hops.** STICKER SKILL
- Little kicks to handstand, or balance on hands on the red handstand blocks.
- ★ **Small block – T-Rex arms: sit on the block and stand up without using your T-Rex arms.** STICKER SKILL

BARS & RINGS

- P-bars (one side low, one high) – swing off the low bar and land on the dinosaur egg.
- Mini P-bars – tuck holds with a dinosaur.
- Block bar and slope – walk up and kick over.
- Ring swings – rescue the dino eggs with your feet and drop them to safety.
- Rope tied to the lowest bar, flat slope underneath – sit in a rubber ring and pull yourself up towards the dinosaur.
- Climb halfway up the wall bars to choose a dinosaur.

BEAM

- 2 red foam floor beams – one foot on each, jump down into the middle with feet together.
- Walk up the beam to the volcano – jump in the lava!
- Over and under walks (flying dinosaur) – over a flat cone, under a rope.
- High beam – jump over the dinosaurs (step if too tricky).

OPTIONAL MUSIC: Dinosaur Stomp
