

LESSON PLAN 14

FLIGHT

Around the World with Somi & Flic

1 WARM-UP GAME: FLIGHT DICE (PICTURES OF AIRCRAFT)

- Kite – use scarves: wave up and down, throw up, run round the circle.
- ★ **Helicopter – start small, rise up and jump round in a circle.**

  STICKER SKILL
- Aeroplane – run with arms out to the side.
- Hot air balloon – spin on toes with arms above your head.
- Bird – flap your wings and fly round.
- Skydiving – lie on your tummy and lift into a star arch shape.

2 STRETCHING

- Use scarves to do different stretches.

Included in your pack (1080 × 1350) to share on your club's socials.

YOU'LL NEED

A dice with pictures of aircraft, scarves, pictures of planes, bean bags and spots.

★ STICKER SKILLS THIS WEEK

- WARM-UP Helicopter – start small, rise up and jump round in a circle.
- VAULT Jump from 1 foot to 2 feet on spots.
- VAULT Throw a bean bag with a parachute into a hoop.
- FLOOR Lie on your tummy, hands on a block, and push up to a seal stretch.
- BARS & RINGS Attach a scarf (kite) to the little bar and wind the kite up.

ACTIVITIES

FLIGHT

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

- Jumping with scarves/streamers – fly like a parrot.
- Caterpillar walk along the bench, jump off and fly like a butterfly.
- ★ **Jump from 1 foot to 2 feet on spots.** STICKER SKILL
- Run up a slope and jump off to land in a hoop.
- ★ **Throw a bean bag with a parachute into a hoop.** STICKER SKILL
- Lie on your tummy in an arch and pull along the bench like you're flying through the sky.

FLOOR

- Frog jumps (rocket jumps) on the panel mat.
- Hands on the purple hands, feet on the 'hot air balloon' (exercise ball in a doughnut) – hold front support.
- Jump (fall) to lie on the safety mat on your front.
- ★ **Lie on your tummy, hands on a block, and push up to a seal stretch.** STICKER SKILL
- Stamp on the bean bag thrower – beanie animals fly!

BARS & RINGS

- T-trainer under the mini bar – hold the bar and jump 5 times, toes to the sky.
- Swing on the trapeze (if available).
- Rings on the white bar – spin around like a helicopter.
- ★ **Attach a scarf (kite) to the little bar and wind the kite up.** STICKER SKILL
- Big P-bars – slope on top of a red block to climb up; front support walk along like a bird.

BEAM

- Red beam – leap over the cones.
- Floor beam raised at one side – aeroplane arms along the runway.
- Widener – jump on the spot and spin round like a helicopter.
- Big beam – hold an open scarf above your head (parachute) and walk on tiptoes.

OPTIONAL MUSIC: Peppa Pig's Balloon Ride
