

LESSON PLAN 18

WEATHER

Around the World with Somi & Flic

1 WARM-UP GAME: WHAT'S THE WEATHER?

- Wind – throw and catch a scarf.
- Rainbow – stand in a star shape and swipe your arms over the top.
- Thunder and lightning – loud marching, snapping arms and hands together for lightning.
- Sunshine – hold a yellow hoop up high, stretch shape on toes.
- Snow – snow angels lying down.
- Rain – tuck jumps in the puddles.
- Tornado – spin on the spot, then the other way for a hurricane.
- Icy – skid on the floor like ice skating.

2 STRETCHING WITH A SNOWBALL (SMALL BALL)

- Roll it, hide it in a tuck, pass it from hand to hand.
- Throw and catch the snowball.

3 GROUP ACTIVITIES

- Snow angels.
- Jump in and out of the puddles with 2 feet (flat hoops/spots).
- Long sit – arms above head, then out to the sides to make a rainbow with streamers.
- Tuck sit hugging your shins – it's cold!
- Put your sun cream on – sweep hands from feet up to thighs, keeping legs straight.

Included in your pack (1080 × 1350) to share on your club's socials.

YOU'LL NEED

Scarves, streamers or ribbons, a yellow hoop (the sun), small balls (snowballs), flat hoops and spots (puddles).

★ STICKER SKILLS THIS WEEK

This week's two passport skills (from your term planner) are the sticker skills. Build them into the stations where they fit best.

ACTIVITIES

WEATHER

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

- Running with arm action, holding streamers.
- Run, jump on the springboard and land on a thick mat – jump into the snow!
- Jump from one coloured block to the next – jumping in puddles.
- Sit on the box top, feet on the floor, stand up without hands – feet stuck in the mud!
- Throw the scarf and catch it in the wind.
- Sit on the spinner and spin round like a tornado.

FLOOR

- Feet on a block or panel mat – walk sideways on hands and feet.
- Lunge to handstand up a slope (or backward roll down the slope).
- Step on a panel mat, hands onto a small block – kick to handstand.
- Roll along 2 folded panel mats, tummy off the floor – over the river!
- Stand on the dome and move the streamers from side to side like a rainbow.
- Handstand up the wedge against the wall.

BARS & RINGS

- Block bar – circle down (snowball roll).
- Single bar – hold an L shape, frozen like an icicle.
- Low A-bar – swing from 2 small blocks over the puddle, legs together.
- P-bars – monkey swings sideways, or hang on one bar over the mud.
- High A-bar – pull the sun (ball on a rope) up into the sky.

BEAM

- Low beam with widener – walk backwards, blown by the wind.
- High beam with extender – step over spots or small jumps, jumping in puddles.
- Red floor beam – jump side to side over the beam with 2 feet (spots as guides).
- Floor beam – walk sideways on toes, yellow hoop (sun) above your head.

OPTIONAL MUSIC: I Hear Thunder / Incy Wincy Spider
