Split the class into 4 groups. Every group visits each station: **VAULT** → **FLOOR** → **BARS** → **BEAM**

- Bunny hops over a bench, landing in the sea (blue spots).

- Roll a ball around the cones.
- Roll over the waves – log roll over a panel mat with noodles underneath.

FLOOR

- Forward roll along your beach towel (mat).
- Roll down the sand dune – forward roll down a wedge.
- Handstand prep – reach up with a quoit, step into a lunge, lift one leg and put the quoit over a cone.
- Walk up the wedge to handstand, then roll away or walk down.
- Kick to handstand using the handstand block.

BARS & RINGS

- Forward roll round the low bar with a bean bag between your feet – land in the sand hoop.
- Swing on the low bar and kick the beach ball.
- A-bars – monkey walk along, don't fall in with the sharks!
- Rings – catch a fish with your feet and pop it in the net.
- Crabbing – wind up the crab on the winding bar.
- Floor bars – balance on the side of the boat, then jump into the sea.
