WEEK 30 · ACTIVITIES

ROBOTS

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: **VAULT** → **FLOOR** → **BARS** → **BEAM**

VAULT

★ **Robot spins – turning jumps, tucked and star.** TODAY'S STICKER SKILL

BOOK 2 · IRELAND SKILL 4

- Robot marching along the tumble – stiff arms and knees up high.
- Squat onto the block and power up in a star shape.
- Jump into the charging station (doughnut).

FLOOR

★ **Robot bridge – lie on your back, feet up on a block, lift your hips.** TODAY'S STICKER SKILL

BOOK 2 · IRELAND SKILL 3

- Collect the robot parts – front support, move bean bags from one hoop to another.
- Log roll like a rolling robot.
- Bunny hop along the conveyor belt (panel mat).

BARS & RINGS

★ **Climb sideways over the parallel bars – along the conveyor belt.** TODAY'S STICKER SKILL

BOOK 1 · JAPAN SKILL 4

- Front support on the bar – robot lift-off!
- Hang in a straight shape – a robot hanging on the hook.
- Wall bars – climb up and press the big red button.

BEAM

★ **Robot walk along the beam on your toes.** TODAY'S STICKER SKILL

BOOK 1 · JAPAN SKILL 3

- Floor beam – walk along with stiff robot arms.
- Red beam – side steps like a robot.
- Low beam – step over the cables (ropes).

OPTIONAL MUSIC: Robot dance music
