

LESSON PLAN 4

UNDER THE SEA

Around the World with Somi & Flic

1 WARM-UP: SEA CREATURES (USE PICTURES)

- Crab – move sideways, use hands as nippers.
- Turtle – roll onto your back from standing and wave your fins.
- Starfish – lie flat on the floor like a star.
- Stingray – wide-arm running.
- Jellyfish – wobble and shake.
- Seahorse – gallop like a horse.
- Pufferfish – sit in tuck and explode!
- Add a shark coming so everyone has to return to their spot.

2 STRETCHING

- Starfish stretch – sit in straddle, reach to both feet, side to side and up tall, then reach to the middle and forward.
- Shark stretch – sit with straight legs, raise one leg at a time, point toes then snap together.
- Fish – lie in an arch and swim with arms and legs.
- Seahorse stretch – seal raise, one arm at a time.
- Stretch shape on your back, then front – arms above head, big toes together.
- Turn around on the spot x 3.
- ★ **Standing up – point, flex, then point the toes of one foot. Both legs x 5.**

STICKER SKILL

YOU'LL NEED

Soft toy sharks and fish, plus some printed and laminated sea creatures.

★ STICKER SKILLS THIS WEEK

- **WARM-UP** Standing up – point, flex, then point the toes of one foot. Both legs x 5.
- **VAULT** Squat onto the red block, then try the blue vault (larger vault or block). Jump off into the sea – safe landings!
- **FLOOR** Forward rolls on the panel mats into a starfish (straddle sit).
- **BEAM** Sideways walking along the low beam – crab hands.

SESSION FLOW

1. Warm-up game
2. Stretching
3. Apparatus rotation – 4 stations (page 2)
4. Passport stickers & goodbye

ACTIVITIES

UNDER THE SEA

Around the World with Somi & Flic

Split the class into 4 groups. Every group visits each station: VAULT → FLOOR → BARS → BEAM

VAULT

- Sideways jumping on a panel mat like a crab.
- Crab walks sideways keeping a bean bag on your tummy – OR static crab hold.
- Run along the tumble, 2-feet jump on the springboard, jump up onto a low block.
- ★ **Squat onto the red block, then try the blue vault (larger vault or block). Jump off into the sea – safe landings!** STICKER SKILL
- Jump on only the blue or green spots – or change to short steps.

FLOOR

- Blue dome surrounded by flat hoops – feet on top, walk hands round the hoops.
- Throw and catch a bean bag station.
- Lunge to handstand using a handstand block and a larger block.
- Walk up the wedge into a handstand, then roll away if you can.
- ★ **Forward rolls on the panel mats into a starfish (straddle sit).** STICKER SKILL
- Jump into a rubber ring, star jump out, jump back into a stretch shape in the ring.

BARS & RINGS

- Balance on 2 parallettes on blocks (yellow and green) – hold a turtle in your toes.
- Use the wind-up bar/chain with an anchor on the end!
- Make a squat shape on a floor bar – hands and feet on.
- P-bars – walk over the sharks (sideways or forwards).
- Climb up the wall bars and choose your favourite sea animal.

BEAM

- Jump over the octopus.
- ★ **Sideways walking along the low beam – crab hands.** STICKER SKILL
- Bench – standing jump onto the bench from a springboard (supported if needed), then lie on your tummy and pull yourself along.
- Walk up the inclined floor beam, jump off into the sea – show your landing shape!
- Floor beams – jump or step over the starfish.
- Low beam – pick up a puzzle piece and put it into the right space.

OPTIONAL MUSIC: Yellow Submarine
